

Redmine - Feature #5001

Manually link commits to issues

2010-03-06 14:27 - G S

Status: Closed	Start date: 2010-03-06
Priority: High	Due date:
Assignee:	% Done: 0%
Category: SCM	Estimated time: 0.00 hour
Target version:	
Resolution: Duplicate	
Description A useful feature would be associating revisions to a particular issue from the issue page itself. Currently AFAIK revisions can be associated to issues only at commit time using referencing issues keywords (fixes, refs, etc.) in the commit message, so if you forget it's hard (or impossible, depending on the SCM) to update the message after the commit.	
Related issues:	
Is duplicate of Redmine - Feature #2009: Manually add related revisions	Closed 2008-10-08

History
