

Redmine - Feature #5194

Favor task/subtask relations in gantt chart

2010-03-26 03:24 - ChunChang (Nagaharu) Lo

Status: Closed	Start date: 2010-03-26
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Gantt	Estimated time: 0.00 hour
Target version:	
Resolution:	
Description The display order of issues is based on the issue ids when viewing gantt chart. I think it would be better to favor the parent/child relation between issues when viewing gantt chart.
