Redmine - Feature #5328

Automatically add "Repository" menu_item after repository creation

2010-04-15 19:02 - Jean-Baptiste Barth

Status:	Closed		**Start date:**	2010-04-15
Priority:	Normal		**Due date:**

Category:	SCM		**Estimated time:**	0.00 hour
Target version:	1.0.0 (RC)			
Resolution:	Fixed			

Description

When you create a repository for your project in Settings>Repository, the menu item isn't displayed immediately. It can be a bit confusing for some users. It would be cool to update main-menu directly.

I attach a patch for current git trunk. I don't really know how to test it easily (depends on the SCM + asynchronous..). Thanks for any help on this point or any though about that.

Associated revisions

Revision 3680 - 2010-04-17 14:51 - Jean-Philippe Lang

Add "Repository" menu item after repository creation (#5328).

History

#1 - 2010-04-17 14:48 - Jean-Philippe Lang

- Status changed from New to Closed

- Target version set to 1.0.0 (RC)

- Resolution set to Fixed

Patch committed in r3680. Thanks.
