Redmine - Defect #5398

Can not reschedule the start date of following issues at once

2010-04-29 08:44 - tengel liu

Status:	New	**Start date:**	2010-04-29
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Issues planning	**Estimated time:**	0.00 hour
Target version:			
Resolution:		**Affected version:**	

Description

after changed the due_date of a issue, it can not update the start_date of the following issues at once.
it seemed that those start_date will be updated after next changed of the due_date of current issue.

I have tried move the reschedule_following_issues to after_save, seemed can work.
