

Redmine - Defect #5773

Email reminders are sent to locked users

2010-06-29 11:35 - Yuki Kita

Status:	Closed	Start date:	2010-06-29
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Email notifications	Estimated time:	0.00 hour
Target version:	1.1.3	Affected version:	
Resolution:	Fixed		

Description

If I try to send email reminders by the command below, Redmine sends reminders to not only active users but also locked users.

```
rake redmine:send_reminders
```

I think it is a problem because locked users' email addresses may be already deleted.
