Description

In the latest RC1.0 the link to 'add another file' doesn't seem to work in internet explorer.

Clicking the links scrolls the browser to the top of the page.

same here

#2 - 2010-07-22 13:34 - Felix Schäfer

I can confirm that on IE8/XP32bit.

#3 - 2010-07-22 14:04 - Curtis Stewart

Same on WIndows 7 with IE8 64 bit
Work fine in Firefox on same box.
However most of my users are IE.

This problem still exists when running IE in Compatibility Mode.
