Target version:	
Description	
Add information about available overridable attributes in the rdm-mailhandler.db file.	
<pre># Overridable attributes are: # tracker, category, priority # assigned_to, start_date, due_date</pre>	
Patch: http://github.com/enderson/redmine/commit/4563ce09b8fd739a9de8d03ea03ad63e79d57da2
