Redmine - Defect #6533

Disable "New Issue" Tab when no tracker is choosen

2010-09-29 16:39 - Terence Mill

Status:	Closed	**Start date:**	2010-09-29
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	UI	**Estimated time:**	0.00 hour
Target version:			
Resolution:	Duplicate	**Affected version:**	1.0.1

Description
We use a top level project to view and search issues of al sub-projects, so wen enabled the ticket manahment for top-level project. The problems is that we still see the "New issue" tab which then shows a error message, that there is no tracker enabled. What would make sense, is that the "New issue" tab is not shown if there is no tracker enabled in the project.
