Category:	Issues		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Cant reproduce		**Affected version:**	1.0.2

Description
The Position of the "Add File Field" and "Description Field" is wrong. I think it is a browser specific problem, because IE should show it correctly.

I can't reproduce the error.

You are using a custom theme which probably messes with the location of the fields. Please fix your theme instead.
