<b>Description</b>			
Hi,			
I'd like to use the "r" syntax to link to my revisions from within the comments; this seems not to work?			
Is it that you cannot link to non-existant revisions? Becuz I check the Activity and can see my revision is not yet synced with Redmine.			
thanks!

Is it that you cannot link to non-existant revisions?

Yes, but you can enter it anyway. It will turned into link when the revision is loaded.
