Target version: 1.2.0	
Resolution: Fixed	
Description I use the Group By feature heavily, but first I have to collapse all the groups one at a time to get the benefit of its brevity and easy navigation. Please could you either: <ol style="list-style-type: none">1. Offer a Collapse All control at the top and bottom2. Or offer a setting near the group by control to set default behaviour? Either would be hugely appreciated.

Associated revisions

Revision 5174 - 2011-03-20 17:01 - Jean-Philippe Lang

Adds links on the issue list to collapse/expand all groups (#7236).

History

#1 - 2011-01-05 07:30 - Ewan Makepeace

Sorry - failed to set a category. This relates to grouping of issues only.

#2 - 2011-03-20 17:03 - Jean-Philippe Lang

- Category set to UI
- Status changed from New to Closed
- Target version set to 1.2.0
- Resolution set to Fixed

Feature committed in [r5174](#). A link to collapse/expand all groups is added next to each group (hover the group to view the link).
