Revision 4749 - 2011-01-23 05:17 - Toshi MARUYAMA

scm: darcs: fix Darcs adapter recognizes new files as modified files above Darcs 2.4 (#7415).

History**#1 - 2011-01-22 16:18 - Jean-Philippe Lang**

I saw some problems with recent darcs versions.

As we don't have much (if not none) feedback about the darcs adapter, I guess that very few people uses Redmine+darcs. Wouldn't it be reasonable to drop support for darcs in the Redmine core? And maybe move the existing code to a plugin.

#2 - 2011-01-22 16:50 - Toshi MARUYAMA

I start to resolve this issue.

<https://bitbucket.org/marutosi/redmine-trunk-darcs>**#3 - 2011-01-23 08:13 - Toshi MARUYAMA***- Status changed from New to Closed**- Target version set to 1.1.1**- Resolution set to Fixed*Fixed by [r4749](#) in trunk and [r4751](#) in 1.1.1.**Files**
