#### History

##### #1 - 2011-02-12 10:04 - Jean-Baptiste Barth

- Status changed from New to Closed
- Assignee changed from Jean-Philippe Lang to Jean-Baptiste Barth
- Target version set to 1.1.2
- Affected version (unused) set to 1.1.1
- Resolution set to Fixed
- Affected version set to 1.1.1

I'm sure it's not intentional, thanks for pointing this out. Fixed with [r4812](#), added to hg/git ignores in [r4813](#), and merged git/hg ignores in [r4814](#). Did the same for an eventual ".loadpath" file which was in svn ignored files.
