Redmine - Patch #7574

RSS autodiscovery for wiki pages

2011-02-08 09:42 - Yuki Sonoda

Status:	New		**Start date:**	2011-02-08
Priority:	Normal		**Due date:**

Target version:				

Description

Many wiki systems provide a link element for RSS autodiscovery in each wiki page. It is useful for those who want to track changes in wiki pages.

Redmine has an ability to provide such a RSS, however, Redmine's wiki pages don't have such link elements. The attached patch adds the link element in each wiki page. I have used this patch for redmine.ruby-lang.org and I hope you to merge the patch.
