

Redmine - Defect #7681

Emails sent by Redmine to a user are not using the users language

2011-02-21 21:41 - Matthias Neubert

Status:	Closed	Start date:	2011-02-21
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Email notifications	Estimated time:	0.00 hour
Target version:		Affected version:	1.1.1
Resolution:	Duplicate		
Description			
Hello,			
when receiving emails from readmine I noticed that the mails are always in the standard language of the sending redmine instance but not in the language the particular user speaks (and hence has set his language in redmines account settings)			
It would be better to use the users language like when visiting the redmine website			
regards Matthias
