<b>Description</b> "New Issue" has a meaning like "Add News" , "New File" , "New Message" and so on. If the latter selections are located in the related module tabs, then why not for "New Issues" ? The current situation makes user interface a little skew.	
<b>Related issues:</b> Is duplicate of Redmine - Feature #6204: Make the "New issue" menu item optional <b>Closed</b> <b>2010-08-25</b>
