<b>Description</b>			
Just upgraded from 1.1.2 to 1.2, and found that the projects on the Gantt page are not really sorted (or sorted in some unknown order).

I also had this problem. After upgrade from 1.1.3 to 1.2, projects and issues that before were ordered by start date, now are ordered by id, what i think is not ideal. Is there some way to change that behavior, is it a choice made by developers or just a bug ?, because it doesn't appear in 1.2.1 roadmap yet.

- *Status changed from New to Closed*

- *Resolution set to Duplicate*

Gantt sort implementation changed from 1.1 to 1.2.  
1.2 sort by id and tree.

Date sorting is discussed in [#7335](#).  
I close this issue in duplicate.
