Redmine - Defect #8633

Pagination counts non visible issues

2011-06-16 22:47 - Rodrigo Guerrero

Status:	Closed	Start date:	2011-06-16	
Priority:	Normal	Due date:		
Assignee:		% Done:	0%	
Category:	lssues	Estimated time:	0.00 hour	
Target version:	1.2.2			
Resolution:	Fixed	Affected version:	1.2.0	
Description		·		

When I see my list issues the projects (with various subproject) with filter status: all, in result show me

1 2 3 4 Next » (1-100/398) | Per page: 25, 50, 100

In first page show me 100 issues, the second show me 1 issue, the third and fourth show me: "No data to display"

Thanks

Strange, it shouldn't happen, but it's difficult to debug it without knowing the particularities of your database. If it doesn't contain top secret informations, you can send me a dump jeanbaptiste.barth [at] gmail.com, I'll see if I can reproduce and find out where the problem is.

#5 - 2011-06-20 04:05 - Jean-Baptiste Barth

Just two things more :

- please precise if it occurs only on some projects or on the cross-project view (and detailed steps to reproduce if needed)
- if you send me the dump, please mention the URL to this issue in your email so it rings a bell for me

Jean-Baptiste, the information is confidencial, so i can't send it. Structure the project is:

main project 1 (is being queried) sub-project 1.1 sub-project 1.2 sub-project 1.3 sub-project 1.3.1 (archived) sub-project 1.3.2 sub-project 1.3.3 sub-project 1.3.4 (archived) sub-project 1.3.5 (archived) sub-project 1.3.6 sub-project 1.3.7 sub-project 1.3.8 (archived) sub-project 1.3.9 (archived) sub-project 1.3.10 sub-project 1.3.11 sub-project 1.3.12 sub-project 1.4 sub-project 1.5 sub-project 1.6 (archived) sub-project 1.7 (archived) sub-project 1.8 sub-project 1.9

Jean, i can send more information? you need i execute any test?

Thank

Rodrigo

It's ok, I'll have a look at it but maybe not right now. I already saw some problems counting paginated results, don't know if they're related.

Hi Jean-Baptiste, I update the last version and the problem persist. You have any patch to test?

Thank

#10 - 2011-07-13 20:50 - Etienne Massip

Could you please try to remove (temporarily) your plugins and restart the application ?

Hi Etiene, I remove the plugins and the problem persist.

Show me:

1 2 3 4 Next » (1-100/347) | Per page: 25, 50, 100

but in the page 3 show me: "No data to display"

#12 - 2011-07-20 09:30 - Etienne Massip

- Target version set to Candidate for next minor release

#13 - 2011-07-20 10:08 - Etienne Massip

#8848 tell us it is due to archived projects.

#14 - 2011-07-20 23:56 - Etienne Massip

Query#issue_count (source:/trunk/app/models/query.rb#L504) returns:

Issue.count(:include => [:status, :project], :conditions => statement)

Should be:

Issue.visible.count(:include => [:status, :project], :conditions => statement)

#15 - 2011-07-23 13:28 - pasquale [:dedalus]

- File patch.diff added

proposed patch

#16 - 2011-07-23 16:02 - Etienne Massip

- File pagination_fix_with_tests.patch added

Same with tests issues_count and issues_count_with_archived_issues.

Please note that default test data includes issues which are not visible, so both tests would fail without the Query fix.

#17 - 2011-07-24 18:49 - Jean-Philippe Lang

- Subject changed from Problem with pagination to Pagination counts non visible issues
- Status changed from New to Resolved
- Target version changed from Candidate for next minor release to 1.2.2
- Resolution set to Fixed

Patch applied in r6314, thanks.

#18 - 2011-07-29 17:46 - Rodrigo Guerrero

thanks!!! my problem was resolved!

#19 - 2011-10-24 22:16 - claude g

Can someone please create a link with <u>#9411</u> (same bug but in roadmap with totals closed/open)? (Or cancel <u>#9411</u> if it's corrected with this patch ?)

#20 - 2011-11-11 12:33 - Jean-Philippe Lang

- Status changed from Resolved to Closed

Merged in r7765.
