

Redmine - Defect #8754

Subtasks can only be added by Administrators

2011-07-06 16:35 - Robin McKenzie

Status:	Closed	Start date:	2011-07-06
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		
Description			
<p>We'd like to start using Subtasks, but have found that only Administrators (top-level) get show the Parent Task field in a ticket, or the "Add" link in the Subtasks section.</p> <p>Have we missed something really obvious in Settings? I've looked through, but can't see anything.</p> <p>Thanks.</p>			

History

#1 - 2011-07-06 19:18 - Etienne Massip

- Status changed from New to Closed
- Resolution set to Invalid

Have a look to your users Role permissions.
Anyway, please ask your questions in the forum.
