Description
There is no info about how much results was find, just button "next", so I don't know how much results / pages of results is there

Associated revisions

Revision 1681 - 2008-07-20 19:26 - Jean-Philippe Lang

Search engine: display total results count (#906) and count by result type.

History

I agree that this would be usefull.

#2 - 2008-04-08 19:28 - Rachel Majchrzak

It would also maybe be nice to have pages numbers like e.g. in google (<Prev 1 2 3 Next>).
Of course, this is low priority and the number of results would be already good.
Thanks!

#3 - 2008-07-20 19:24 - Jean-Philippe Lang

- Status changed from New to Closed

- Target version set to 0.8

- Resolution set to Fixed

Results count added in r1681.
