

Redmine - Feature #9629

New custom field format 'progress bar' (like the %-done field).

| Description | | | |
| <p>Hi,</p> <p>I need some support to add custom field very similar to "% Done" field of existing Redmine system. Actually i want to add "% Done" for each phase.</p> <p>I have added a custom field as integer type as List and added value as 0, 10, 2090, 100% but when we list the issues, it looks just a number not like progress bar.</p> <p>Please add this kind of feature.</p> <p>Best Regards Ajay Soni</p> | | | |

Sorry it should be patch not a feature as of now.

#2 - 2011-11-22 07:52 - Jean-Philippe Lang

- Priority changed from High to Normal

#3 - 2011-11-22 21:49 - Mischa The Evil

- Subject changed from Need to "% done " kind of custom field with progress bar. to New custom field format 'progress bar' (like the %-done field).
- Category set to Custom fields

#4 - 2013-02-06 12:36 - Łukasz Grzywacz

I need that feature too. Will it be implemented soon?

@Update

It's not even in a roadmap. Do you have any plans with the feature?
