

## Redmine - Feature # 628: E-mail reporting

<b>Status:</b>	New	<b>Priority:</b>	Normal
<b>Author:</b>	Antti Perkiömäki	<b>Category:</b>	Email notifications
<b>Created:</b>	2008-02-11	<b>Assigned to:</b>	
<b>Updated:</b>	2008-02-13	<b>Due date:</b>	
<b>Resolution:</b>			
<b>Subject:</b>	E-mail reporting		
<b>Description:</b>	In addition to the PDF output, I'd really wish to see an email report.  One could send Issue detail like in PDF output but straight to freely written e-mail address and/or to a registered user.  This report could be done by sending the PDF as attachment or inline report.		

### History

Should have noticed issue #585

Just delete this please :)

**2008-02-11 19:24 - Jean-Philippe Lang**

I don't really see the point with #585, it's about updating issue notes ?

**2008-02-13 10:24 - Antti Perkiömäki**

Sorry, the note should have gone into different Issue.
