

## Redmine - Defect #10013

### Rest API - Create Version -> Internal server error 500

2012-01-17 13:33 - Juraj Tomana

<b>Status:</b>	Closed	<b>Start date:</b>	
<b>Priority:</b>	Urgent	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	REST API	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	1.3.1	<b>Affected version:</b>	1.3.0
<b>Resolution:</b>	Fixed		
<b>Description</b>			
<p>I'm trying to create new version in project using Rest API using C# code:</p> <p>Uri address = new Uri("http://myredmineserver/projects/test/versions.xml?key=xx");</p> <pre>WebRequest request = WebRequest.Create(address); request.Method = "POST"; string xml =     "&lt;?xml version='1.0'?&gt;\n" +     "&lt;version&gt;\n" +     "&lt;project id='45'/&gt;\n" +     "&lt;name&gt;1.0.0.10&lt;/name&gt;\n" +     "&lt;due_date&gt;2012-01-16&lt;/due_date&gt;\n" +     "&lt;description&gt;test test&lt;/description&gt;\n" +     "&lt;/version&gt;"; byte[] byteArray = Encoding.UTF8.GetBytes(xml); request.ContentType = "application/xml"; request.ContentLength = byteArray.Length; Stream dataStream = request.GetRequestStream(); dataStream.Write(byteArray, 0, byteArray.Length); dataStream.Close(); WebResponse response = request.GetResponse(); Console.WriteLine(((HttpWebResponse)response).StatusDescription);</pre> <p>I always get error 500: Internal server error.</p>			

#### Associated revisions

##### Revision 8686 - 2012-01-21 10:39 - Jean-Philippe Lang

Makes Version REST API accept due\_date attribute (#10013).

##### Revision 8770 - 2012-02-04 12:17 - Jean-Philippe Lang

Backported r8686 from trunk (#10013).

#### History

##### #1 - 2012-01-17 14:37 - Juraj Tomana

- Status changed from New to Resolved

Using the logs I found problem.

Despite of Rest API documentation ([http://www.redmine.org/projects/redmine/wiki/Rest\\_Versions](http://www.redmine.org/projects/redmine/wiki/Rest_Versions)), parameter "due\_date" is wrong. Right name of that parameter is "effective\_date".

**#2 - 2012-01-21 10:40 - Jean-Philippe Lang**

- Category set to REST API

- Target version set to 1.3.1

- Resolution set to Fixed

Fixed in r8686. The due\_date attribute is now accepted.

**#3 - 2012-02-04 12:17 - Jean-Philippe Lang**

- Status changed from Resolved to Closed

Merged.
