

Redmine - Feature #1005

Add the addition/removal/change of related issues to the history

2008-04-07 00:21 - Andrew Ness

Status:	Closed	Start date:	2008-04-07
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	100%
Category:	Issues	Estimated time:	0.00 hour
Target version:	2.4.0		
Resolution:	Fixed		
Description			
I can't find any trace of when someone adds, removes, or changes an issue relation. So if I add a relation between two issues and someone else comes along and removes it, there is no history to show that they were ever marked as related.

Associated revisions

Revision 11885 - 2013-05-19 04:09 - Toshi MARUYAMA

add journal after creating/deleting issue relation (#1005)

Revision 11886 - 2013-05-19 04:09 - Toshi MARUYAMA

remove "del" tag from deleted issue relation (#1005)

It is confused with deleted issue.

Revision 11887 - 2013-05-19 05:40 - Toshi MARUYAMA

adjust functional IssuesControllerTest (#1005)

Revision 11939 - 2013-06-06 18:19 - Jean-Philippe Lang

Fixed that journal details about issue relations may disclose issues that are not visible (#1005).

Revision 11940 - 2013-06-06 18:22 - Jean-Philippe Lang

Prepends issue numbers with a number sign (#1005).

Revision 11941 - 2013-06-06 18:25 - Jean-Philippe Lang

Splits tests (#1005).

Revision 12014 - 2013-07-13 11:56 - Jean-Philippe Lang

Fixed that relations to issues that are not visible are displayed in the issue history (#1005).

Revision 12015 - 2013-07-13 12:32 - Jean-Philippe Lang

Don't notify users about relations that are not visible (#1005).

I'm willing to create a patch that adds this feature. Can someone give me a hint where to start. E.g. which file or function to look first. I'm new to Redmine/Ruby development, btw.

Sorry, no updates yet from my front. Lack of time. But as far as I estimate, this patch should be a low effort for someone with Ruby on Rails skills.

#10 - 2011-04-18 12:11 - Tobias Roeser

See [Comment 7](#) of #3546 for a starting point if you want to write a patch.

#11 - 2011-04-18 12:20 - Etienne Massip

- Target version set to Candidate for next major release

#12 - 2011-04-18 12:23 - Etienne Massip

Editing a relationship is not possible at the moment, but in the case it would be, I'm not sure this is something that should be tracked in history.

- File *feature_1005_1.diff* added

Okay, here comes the patch. The wording for the history entries might not be exactly pleasing, but you can see that a relation has been added and deleted in the history.

#23 - 2012-12-21 06:03 - Toshi MARUYAMA

- File *feature_1005_r11061.diff* added

This is note-19 patch rebased to trunk r11061.

#24 - 2012-12-21 12:28 - Toshi MARUYAMA

- File *feature_1005_r11061-Ver2.diff* added

Sorry, note-23 patch has syntax error.

This is fixed patch for trunk r11061.

#25 - 2013-01-06 07:38 - # And

Necessary feature.

#26 - 2013-01-06 08:43 - Daniel Felix

+1 from me.

Would be good in combination with #5061.

Both are things which should be displayed in the ticket history. But, there should be some kind of filter like in the activity list, or some tabs on top of the history. Otherwise such a list could be too long.

Example for those Tabs:

All | Ticket Notes | Relations | Timelogs

#27 - 2013-01-07 11:36 - Toshi MARUYAMA

- File *trunk-r11137.diff* added

- File *note-24.png* added

- File *trunk-r11137-patch.png* added

This is a updated patch for trunk r11137.

'Delete line' which is removed relation issue is confusing.

I remove it.

Note-24
note-24.png

For r11137 patch
trunk-r11137-patch.png

#28 - 2013-01-07 15:29 - Daniel Felix

I just testet the latest patch attachment:trunk-r11137.diff

IT works pretty well. I tried the different relations. Would be nice to see this in Redmine.

#29 - 2013-01-12 19:05 - Daniel Felix

Well this works well, the only think which would be good is another status icon, which is displayed on the activity tab. This would help to determine which action caused the new issue-note. Something like the ticket with the comment-symbol.

#30 - 2013-01-25 08:25 - Toshi MARUYAMA

- File *trunk-r11262.diff* added

This is a patch for trunk r11262.

Note 27 patch has an error when relational issue is deleted.

#31 - 2013-01-25 11:28 - Daniel Felix

Thanks Toshi, I'll try this new patch. :-)

Maybe this could be useful to get a better display in the history #12789-2.

#32 - 2013-03-01 12:26 - Toshi MARUYAMA

Note 30 attachment:trunk-r11262.diff has #13273 problem.

#33 - 2013-04-10 15:27 - Toshi MARUYAMA

- *File issue1005-trunk-r11711.diff added*

attachment:trunk-r11262.diff has bug when exporting pdf.

This patch fixed it.

#34 - 2013-04-18 13:41 - Toshi MARUYAMA

- *File issue-1005-trunk-r11723.diff added*

- *% Done changed from 0 to 90*

I have added tests.

#35 - 2013-05-19 16:34 - Toshi MARUYAMA

- *Status changed from New to Closed*

- *Target version changed from Candidate for next major release to 2.4.0*

- *% Done changed from 90 to 100*

- *Resolution set to Fixed*

Committed in trunk r11885 and r11886.

#36 - 2013-06-10 18:27 - Jean-Philippe Lang

- *Status changed from Closed to Reopened*

- *Assignee set to Jean-Philippe Lang*

r11939 fixes some disclosures of private issues subjects on the issue view but still we have a problem with email notifications. Relations to issues that are not visible are not even listed, they should not appear in the issue history and not be notified to user who can't see them. It's not an easy fix for now but it should be easier to implement after the changes that need to be done for #5037.

#37 - 2013-07-13 12:50 - Jean-Philippe Lang

- *Status changed from Reopened to Closed*

Fixed in r12014 and r12015.

#38 - 2013-12-11 08:46 - Toshi MARUYAMA

- *Related to deleted (Feature #5061: Show time log entries in issue history)*

#39 - 2013-12-11 09:10 - Toshi MARUYAMA

- *Related to Defect #15677: Links for relations in notifications do not include hostname added*

#40 - 2014-04-04 19:41 - Jimmy Praet

Can the e-mail notifications for updates of issue relationships be disabled (without disabling all other "Issue updated" notifications)?

#41 - 2014-04-05 04:03 - Toshi MARUYAMA

Jimmy Praet wrote:

| *Can the e-mail notifications for updates of issue relationships be disabled (without disabling all other "Issue updated" notifications)?*

No.

There is feature request #16098.

#42 - 2015-04-19 14:37 - Toshi MARUYAMA

- Related to Defect #19660: Issue relation removal is not displayed properly on the issue history added
