Description			
I've met error at rev. 682, and avoid it by editing:			
User.current = User.find(session[:user_id])			
elsif cookies[:autologin] && Setting.autologin?			
1. auto-login feature			
- User.current = User.find_by__autologin_key(autologin_key)			
+ User.current = User.find_by__autologin_key(cookies[:autologin])			
elsif params[:key] && accept_key_auth_actions.include?(params[:action])			
2. RSS key authentication			
User.current = User.find_by__rss_key(params[:key])			
Older revision had method to set autologin_key, but it seems to be removed.
