<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Resolution:</b>	Invalid		
<b>Description</b>			
Was wondering if we could add a button in the RMA program to send an email to the Support Manager about any lockbox tickets that we come across that require attention. This would be easier instead of us creating an Email with every issue we come across.			
Would be much appreciated if this could be possible.
