Did you try without plugins, especially without CMI?

#4 - 2012-03-09 15:49 - Aaron Garcia

I uninstalled CMI and Spent Time now works. There are some serious issues with that Plugin, I highly recommend you remove it until they get it figured out. The Translation is the easy part, The intent is good, It just is not functional.

#5 - 2012-03-09 15:49 - Aaron Garcia

- Status changed from New to Resolved

You can close this case, it wasn't a Redmine issue , just a plugin issue.

#6 - 2012-03-09 15:52 - Etienne Massip

- Status changed from Resolved to Closed

- Resolution set to Invalid

Thanks.
