

## Redmine - Feature #10422

### Ability to filter by and view columns relating to Related Issues/Subtasks

2012-03-12 02:24 - Brett Zamir

<b>Status:</b>	Closed	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Issues	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Resolution:</b>			
<b>Description</b>			
It would be convenient to be able to filter issues based on whether they had or were duplicates, blockers, subtasks, etc., as well as to see a description of such a type within columns.			
<b>Related issues:</b>

### History

#### #1 - 2012-03-12 02:29 - Brett Zamir

Sorry, I realized that parent task is already available for catching or excluding subtasks though only for column display, not filtering, but the request still stands for filtering by subtask and the various "related issue" types for both filtering and column display. Thanks...

#### #2 - 2014-11-27 11:20 - @ go2null

Available in [2.2.0](#).

- Feature [#3239](#): Show related issues on the Issues Listing
- Feature [#3265](#): Filter on issue relations

This Feature request should be closed.

#### #3 - 2014-11-28 07:49 - Brett Zamir

- Status changed from New to Resolved

Thanks very much! (No longer working for the company I was using it for, but Redmine is a great program)

#### #4 - 2014-12-03 07:11 - Mischa The Evil

- Status changed from Resolved to Closed

I'm closing it, but for referencing: a parent-/subtask *filter* (subtasking is not implemented as an issue relation type) isn't implemented yet, but it is already requested via [#6118](#).
