

## Redmine - Defect #10431

### Plugin cannot have more than single migration

2012-03-12 18:40 - Jiří Křivánek

<b>Status:</b>	Closed	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>

<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Affected version:</b>	
<b>Resolution:</b>	Invalid		

#### Description

- Two years ago, I wrote the Redmine plugin.
- It modifies the time\_entries table by adding two columns.
- Now I need to add one more column.
- So I prepared another file in the plugin/db/migrate folder named 20120312171801\_add\_abra\_exported\_flag.rb which contains this:

```
class TimeAddExportedToAbraField < ActiveRecord::Migration
  def self.up
    add_column :time_entries, :export_to_abra, :datetime, :null => true
  end

  def self.down
    remove_column :time_entries, :export_to_abra
  end
end
```

- The older migrate file named 20100122233052\_time\_add\_start\_end\_fields.rb contains this:

```
class TimeAddStartEndFields < ActiveRecord::Migration
  def self.up
    add_column :time_entries, :time_from, :time, :null => true
    add_column :time_entries, :time_to, :time, :null => true
  end

  def self.down
    remove_column :time_entries, :time_from
    remove_column :time_entries, :time_to
  end
end
```

- When I do the rake db:migrate\_plugins --trace, I will obtain the following error which says nothing to me:

```
(in /var/www/redmine)
** Invoke db:migrate_plugins (first_time)
** Invoke environment (first_time)
** Execute environment
** Execute db:migrate_plugins

```

- I spent many hours trying to figure out what to do to make this working.

- After all, I think it must be some sort of error...
  - **Please help me out of this...**

## History

### #1 - 2012-03-12 18:43 - Jiří Křivánek

- Status changed from *New* to *Resolved*

- Oh sh\*t...
- When reading my issue again, I found it...
- So many hours wasted...
- It was that st\*\*id naming conventions...
- Please accept my appologies for bothering you and close my issue...

### #2 - 2012-03-12 18:53 - Etienne Massip

- Status changed from *Resolved* to *Closed*

- Resolution set to *Invalid*
