

Redmine - Defect #10448

creating an issue through the api not possible

2012-03-15 03:58 - Ole Reifschneider

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	REST API	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		
Description			
I am using version 1.3.2. Everytime I try to create an issue (post-request) I get the error message that the subject is blank. But I am pretty sure that it es set correctly, which I confirmed by looking into the logfile.

- Status changed from New to Resolved

Sorry, it was my fault. My values were not properly nested.

And Sorry for the bad bugreport!

#3 - 2012-03-19 13:55 - Etienne Massip

- Status changed from Resolved to Closed

- Resolution set to Invalid

No problem, thanks for the update!
