

Redmine - Feature #10481

Add a "remove empty columns and lines" in the workflow administration

2012-03-19 11:21 - Jérôme BATAILLE

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues workflow	Estimated time:	0.00 hour
Target version:			
Resolution:	Invalid		
<b>Description</b> Because in the workflows columns and line headers are included in the scrolling area, they are lost in the table area when there is a lot of statuses.  I could be helpful to remove empty columns and lines, when a new check-box is checked. This will help to make the workflows more readable.			

History

#1 - 2012-03-19 13:58 - Jérôme BATAILLE

- Status changed from New to Resolved

There is already the **Only display statuses that are used by this tracker** checkbox to does almost all the job.

#2 - 2012-03-19 16:23 - Etienne Massip

- Status changed from Resolved to Closed

- Resolution set to Invalid
