

Redmine - Defect #10502

Cannot update subject line of task. More button fails to show options

2012-03-20 22:11 - orlando kelly

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	1.2.2
Resolution:	Cant reproduce		
Description			
I'm trying to update the subject line for an issue. I select update, and then select the more link next to "Change Properties"			
When I press this link, the page does nothing. I am logged on as administrator, and I'm running Redmine 1.2.2			
I urgently need to update a batch of issues for a project.			

History

#1 - 2013-04-13 12:12 - Jean-Baptiste Barth

- Status changed from New to Closed
- Priority changed from Urgent to Normal
- Resolution set to Cant reproduce

Might be a permission problem, and anyway the report is pretty old, I hope it has been resolved now. Please use the forum for user support and read [SubmittingBugs](#) before openning a defect. I close this issue.
