Redmine - Defect #10527

time_spent does not sort properly for this case

2012-03-22 20:21 - Gerry Hawkins

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Time tracking		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Fixed		**Affected version:**	

Description
The highlighted issue was opened and had time allocated against it. Then someone added a sub task to it and time was allocated to the sub task. By itself the parent's time was 5.2 and the subtask's time was 7.75. Looking at the parent task I see the total time which is what I was sorting on in the time_entries page.

History

#1 - 2020-12-12 07:41 - Go MAEDA

- Status changed from New to Closed

- Resolution set to Fixed

Fixed by [#11253](#11253).

"Total spent hours" column has been added in Redmine 3.1.1 and the value of "Spent hours" column no longer includes values of subtasks.

#2 - 2020-12-12 07:42 - Go MAEDA

- Related to Feature #11253: Total time spent from subtasks on the issue list added
