Redmine - Defect #10605

Bulk edit selected issues does not allow selection of blank values for custom fields

2012-04-04 20:25 - Colin Mollenhour

Status:	Closed	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:	Jean-Philippe Lang	**% Done:**	0%
Category:	Custom fields	**Estimated time:**	0.00 hour
Target version:	1.4.0		
Resolution:	Fixed	**Affected version:**	1.2.1

Description

I've added an "Attention" custom field for issues which is a "user" type that is not required (no user selected allowed). When I use the bulk edit feature, I cannot choose a blank value, but when editing a single issue I can choose a blank value for this field.
