

Redmine - Patch #10611

Simplified Chinese translations for 1.3-stable

2012-04-06 12:07 - fangzheng ()

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Toshi MARUYAMA	% Done:	0%
Category:	Translations	Estimated time:	0.00 hour
Target version:	1.3.3		

Description

I find some strings are not localized while exporting some issues to cvs file.

I checked out the zh.yml in branch 1.3 and find that last several lines are still English (ln. 1005-1010).

So I translate them here. Hope someone can help to make a patch. Thanks!
