Category:	Time tracking	**Estimated time:**	0.00 hour
Target version:	0.7		
Resolution:	Fixed		

Description

When I add spent time to ticket by "Log time" button and then click "Save" button, I'm redirected to Spent time report page. I would much more likely to end back on Issue page. I don't know if current behaviour is usefull for someone (maybe yes), but I never used report page after Logging time, Most often I would like to work with Issue again or I'm going to completely different page.

Revision 1354 - 2008-04-16 19:27 - Jean-Philippe Lang

Redirected user to where he is coming from after logging hours (#1062).

History

#1 - 2008-04-16 19:29 - Jean-Philippe Lang

- Status changed from New to Closed

- Target version set to 0.7

- Resolution set to Fixed

Done in r1354. You are now redirected to where you're coming from after logging time.
