Redmine - Defect #10818

Running rake in test environment causes exception

2012-05-03 01:13 - John Yani

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:	Toshi MARUYAMA		**% Done:**	0%
Category:	Ruby support		**Estimated time:**	0.00 hour
Target version:	2.0.4			
Resolution:	Fixed		**Affected version:**	1.4.4

Description

The following exception
`block in non_options': file not found: _____ (ArgumentError)
is thrown for every rake task runned in a test environment.

There is a bug for this in rake https://github.com/jimweirich/rake/issues/51
Possible workarounds:

- remove "shoulda"
- add "test-unit" (as marutosi did https://github.com/Vanuan/redmine/commit/db12487dddf5cc73e1266447e9d23676d187af5d)
