Description

Hi,

When I'm adding new watchers to an issue, I have escaped code instead of the delete cross icon :

```html
<a class="delete" href="/watchers/destroy?object_id=1234&amp;object_type=issue&amp;user_id=3" onclick="new Ajax.Request('/watchers/destroy?object_id=1234&object_type=issue&user_id=3', {asynchronous:true, evalScripts:true, parameters:'authenticity_token=' + encodeURIComponent('PLv5ZI6HZ98BK/6BH7+cf7tE+V2l+/Y=')); return false;" style="vertical-align: middle"> <img alt="Delete" src="/images/delete.png?1273095853" /></a>
```
