| Category: Roadmap | Estimated time: 0.00 hour |
| Target version: | |
| Resolution: | |
| Description | |
| <p>Version of product can contains a lot of issues. Issues can be opened or closed. I think issues should be sorted by their statuses.</p> <p>Also in our company we have status 'testing'. And i implement sorting order 'open' then 'testing' then 'closed'. Looks nice see screenshot.</p> | |
