<b>Resolution:</b>	Duplicate		
<b>Description</b> Custom user fields (such as phone numbers, IM nicks etc) should be visible and editable on the "my account" page so users can keep their own records up to date. Take a look at <a href="#">#707</a> as well, because it's quite important to allow hiding custom user fields from public display.			
<b>Related issues:</b> Is duplicate of Redmine - Feature #1332: User display/editing of custom field... <div>Closed2008-05-30</div>			

History

+1 from me

#2 - 2008-08-11 05:15 - Mischa The Evil

This is related to [#524](#) and a patch was provided in [#242](#).

#3 - 2009-01-17 12:17 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Duplicate

Done in [r2276](#). User custom fields can now be set as editable.
