

Redmine - Defect #11066

Can the issue number described in commit message link to related issue only when the specified keyword prefixed to the issue number?

2012-05-31 13:58 - Peter Wang

Description

In our company, there are more than one issue tracking systems
That means the commit messages will be like "Fix AID #1", "BID #2", ...etc
However, the issue ID belongs to other issue tracking system are not the one in the Redmine issue tracking system.
That will lead to that the link in "AID #1" will link to incorrect issue in Redmine issues

Could it be possible to filter this kind of linking from commit messages?

Below is my Redmine info

Environment:

| | |
|------------------|--------------------|
| Redmine version | 2.0.1.stable.9733 |
| Ruby version | 1.8.7 (i386-linux) |
| Rails version | 3.2.3 |
| Environment | production |
| Database adapter | MySQL |

Redmine plugins:
no plugin installed

History

#1 - 2012-05-31 19:20 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Invalid

In administration -> settings -> repositories, change "Referencing keywords" from * to something like BID. Then only "BID #2" in the commit message will link the issue to the commit.

#2 - 2012-06-01 04:14 - Peter Wang

- Status changed from Closed to Reopened
- Assignee set to Jean-Philippe Lang

Sorry to reopen it that I still need to clarify something
I know the configuration in "Referencing keywords" can make the commit appears in related Redmine issue page
However, it will still make AID #2, CID #2, ... link to the Redmine issue#2, right?
What I mean is to avoid AID #2, CID #2, ... from linking to Redmine issue#2.
Can 2.0-stable make it possible?

#3 - 2012-06-01 19:57 - Jean-Philippe Lang

- Status changed from Reopened to Closed

1. Are you speaking about commits/issues relations?
2. Or maybe you just don't want that #2 be turned into a link in the commit log display in Redmine?

If 1., there's a test for this ([source:trunk/test/unit/changeset_test.rb@9636#L54](https://source.trunk/test/unit/changeset_test.rb@9636#L54)).
If 2., sorry it's not possible.
