Redmine - Defect #11153

Default sorting for target version is DESC instead of ASC

2012-06-14 01:39 - Maxim Nikolaevich

Status:	Closed	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:	Jean-Philippe Lang	**% Done:**	0%
Category:	Issues	**Estimated time:**	0.00 hour
Target version:	2.1.0		
Resolution:	Fixed	**Affected version:**	1.4.3

Description

default_order for fixed_version should be ascending

since #832 implementation target version default sorting is DESC
It does not matter in most cases cause i can change it to ASC manually but...
I can't change it in time using "Group results by" feature
For example Roadmap
use ASC sorting so it's required to change default value

Associated revisions

Revision 10076 - 2012-07-24 20:41 - Jean-Philippe Lang

Sort versions ascending when grouping issues by version (#11153).

History

#1 - 2012-06-16 12:52 - Maxim Nikolaevich

- Assignee deleted (Jean-Philippe Lang)

maybe someany else could look to this issue.
I can create patch (1 line of code) if it is not obvious...

#2 - 2012-07-24 20:41 - Jean-Philippe Lang

- Subject changed from Deflut sorting for target version is DESC instead of ASC to Default sorting for target version is DESC instead of ASC

- Category set to Issues

- Status changed from New to Closed

- Assignee set to Jean-Philippe Lang

- Target version set to 2.1.0

- Resolution set to Fixed

Changed in r10076.
