<b>Description</b>			
The line "target version" with the "add new" button is not there in that case.			

#### History

##### #1 - 2012-06-14 10:09 - Etienne Massip

- Status changed from New to Closed

- Resolution set to Wont fix

It's the normal behavior, allowing people who do not use the roadmap and version mechanism to have a clean issue form without a field that would be useless to them.

Ok.

Workaround for me.

- Create a unused dummy version.
