

Redmine - Feature #11179

How to sync Redmine with SVN automatically

2012-06-15 21:17 - Anonymous

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	SCM	Estimated time:	0.00 hour
Target version:			
Resolution:	Invalid		
Description			
When we view the repository it freezes Redmine for all users. How to resolve that?			
I tried using http://www.redmine.org/projects/redmine/wiki/HowTo_setup_automatic_refresh_of_repositories_in_Redmine_on_commit			
but that did not work.			
Using Redmine 1.4.3 stable version with mongrel			

History

#1 - 2012-06-15 22:21 - Etienne Massip

- Status changed from New to Closed
- Assignee deleted (Jean-Philippe Lang)
- Resolution set to Invalid
