Redmine - Defect #11266

Can't change standard titles

2012-06-27 01:46 - Vladimir Pitin

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Plugin API		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Cant reproduce		**Affected version:**	2.0.0

Description

In earlier version renaming of standard titles defined in yml files was possible. I simply created a plugin that redefined parameters of redmine core's yml-files. This way the titles changed throughout the whole Redmine.
Can't I do this in version 2.0? If I change a core parameter in yml file, the new parameter is not used. The parameter in core's yml file has higher priority.
How can I change standard titles without changing the core files?

History

#1 - 2021-06-06 15:59 - Go MAEDA

- Status changed from New to Closed

- Resolution set to Cant reproduce

You can override messages with plugins' config/locales/*.yml files.
