<b>Description</b> Some issues may need to attach a list of files, not in an archive to allow easier access to it. For this matter it would be nice to be able to attach this list, not with n*3 operations (click attach, select file, upload), but in 3. (click attach, select the n files, upload). See attach example from gmail.			
<b>Related issues:</b> Is duplicate of Redmine - Feature #8579: Multiple file upload with HTML5 / Dr... <b>Closed</b> <b>2011-06-09</b>
