

Redmine - Feature #11698

Ability to configure additional groups of keywords with extra features in commit messages

2012-08-24 16:03 - Leonid E

Status: New	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: SCM	Estimated time: 0.00 hour
Target version: Candidate for next major release	
Resolution:	
Description	
Now it is only groups: <ul style="list-style-type: none">- Referencing keywords- Fixing keywords with actions: <ul style="list-style-type: none">- Applied status- Done	
It will be good to add extra keywords groups for processing with different actions e.g.	
<ul style="list-style-type: none">- Processing keywords Applied status: In Progress Done: 20%	
Or extra features	
<ul style="list-style-type: none">- Testing keywords Applied status: Testing Done: 90% Assignee: Testing Team- Processing Plus keywords Applied status: In Progress Done: +10%- Bounce keywords Applied status: Feedback Assignee: Ticket Owner

History

#1 - 2012-08-24 16:31 - Etienne Massip

- Subject changed from Ability to configure additional groups by keywords with extra features in commit messages to Ability to configure additional groups of keywords with extra features in commit messages
- Category set to SCM
- Target version set to Candidate for next major release

#2 - 2012-08-27 11:33 - Jean-Philippe Lang

- Tracker changed from Defect to Feature

#3 - 2013-07-03 14:21 - Reinaldo Coelho Sartorelli

It would be great if we can add the item "Assigned" to the keywords as the possibility exists for example to send tickets "closed" to the test team

#4 - 2013-10-09 03:43 - Mischa The Evil

- Related to Feature #4911: Multiple issue update rules with different keywords in commit messages added
