Description

Normal issues are displayed like Urgent issues on Redmine v2.1.0 Issues page.
I think the v2.0 source is correct.

Issue.rb (version 2.1)

```
def css_classes
  s = "issue status-#{status_id} priority-#{priority_id}"
  .
  .
  .
end
```

Issue.rb (version 2.0)

```
def css_classes
  s = "issue status-#{status.position} priority-#{priority.position}"
  .
  .
  .
end
```
