

Redmine - Defect #11899

ticket update bug

2012-09-20 14:26 - Mohsen Jamali

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		
Description there is a bug in redmine updat process. if you click on update button at up-right corner, and do not change any thing, then click on update button, a new update on that issue will be logged. although nothing was updated. it effects on making real report.			

History

#1 - 2012-09-20 16:13 - Etienne Massip

Why would that be a defect?

Why would you click on Update if you don't actually update any field value?

#2 - 2012-09-20 18:40 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Invalid

No update is logged with current trunk and a test was added for that time ago.
Maybe a plugin issue.
