- Status changed from New to Closed
- Resolution set to Invalid

Adnan Topçu wrote:

NameError (uninitialized constant MeetingDoodle):

Redmine core does not have "MeetingDoodle".  
Please contact plugin author.

##### #2 - 2012-10-19 10:11 - Adnan Topçu

Thank yo for fast response.  
Data transferred from redmine 1.3.2. There was "Meeting Doodle" on 1.3.2. But now, there is not.  
Ok, I accept that this is not related to redmine core.

Thanks.
